The remains of Edward Davis, for several years Engineer on the Maysville Accommodation, who died in Covington, passed up yesterday noon for Manchester, where the interment took place. The C. and O. kindly furnished a special train for the use of his family and friends.

Not only do your shopping now, before the prettiest things are gone, but do it in the forenoon if you want to miss the crush.

Inasmuch as the Opera-house Managers have taken drastic measures to enforce order in the Gallery, the "Gallery Gods" now appeal for some regulation that will protect them from annoyance by loud conversations carried on by patrons of the lower floor; and their complaint is not at all unreasonable.

MAYSVILLE KEEPS APACE WITH THE WORLD

Trade reports from the mercantile centers indicate the largest pre-holiday traffic in the history of the country. We must say—and we are sure our fellow merchants have been as generously treated by the public—that up to the present time we have enjoyed the greatest December sales in the many years existence of this establishment. Holiday shoppers have only a few more days left in which to do their buying. We featured in our daily papers throughout the past week the many useful and acceptable gifts that can be purchased in this place for the sterling. It is now, as it always has been, the unalterable policy of this house to furnish its patrons, "from a 25c linen handkerchief to the highest priced garment in the Clothing Department," the best that money can procure.

vote of 106×188 Congress refused
the salaries of members from \$5,000
to \$10,000. Representative BENNETT of this Dis-
trict voted against the measure.

might help some if those Saloon Keepers
persist in the gambling business would
a separate building for that exhilarating
game. It would, at least, save a part of the
game's reputation.

the month that covers our holiday
season, Uncle JOHN ROCKEFELLER could
lead a procession of 2,400,000 men \$2 each
for a Christmas gift, and then he would only be
a mouth's income.

would take 150,000 wage earners at the
average American wage of \$400 a year, to earn
our Uncle JOHN ROCKEFELLER's income. Is it
wonder that the "great common people" are
making war on the Standard Oil Trust?

SOUTH CAROLINA made an attempt to bull-
doze the whole United States in 1832, but an
chap named ANDY JACKSON was about to
come miscellaneous hanging when the "fire-
s" pulled in their horns; and now Cali-
fornia proposes to defy Uncle Sam and the
odd other children. Well, just wait till
dent ROOSEVELT, who is somewhat of a
sonian Democrat himself, gets through
the stuckup Pacific Coasters.

If your Uncle JOHN ROCKEFELLER's yearly
income were converted into silver dollars, and
they piled one upon another, they would make a
pile 125 miles high.

A CORRESPONDENT wants to know what it
costs to build a railroad.

Answer—The average cost in the United
States at present is \$30,000 a mile;—how
many miles do you want?

JOHN D. ROCKEFELLER has sent word to the
Board of Foreign Missions of the United Pres-
byterian Church, whose headquarters are in
Philadelphia, that he would give \$100,000
toward educational work in Egypt and the
Soudan. As Uncle John's income is \$164,-
383.53 "per diem per day" as the late Mr. De-
moe would say, I wonder what the poor old fel-
low is going to do with the balance of that
day's work.

More than 20,000 certificates of naturaliza-
tion will be invalidated if a bill favorably re-
ported by the House Committee on Immigra-
tion becomes a law. The failure of clerks to
ask applicants if they were Anarchists renders
the certificates void. This country is extremely
lucky if only 20,000 Anarchists have been per-
mitted to slip in; but just think what might
happen if San Francisco's 93 Japanese children
should be allowed to learn their A, B, C's in
the Public Schools!

WHY HE LEFT.

Chicago News.

"I'm very sorry, madam," said the new boarder, "but
I have arranged to leave at the end of the week."

"Indeed!" rejoined the landlady. "Are you going to
leave the city?"

"Oh, no," replied the n. b. "I'm merely making a
change on account of the water."

"Why, what's wrong with the water here?" queried
the landlady.

"It's impure," answered the other. "I frequently de-
tect a slight flavor of coffee in it."

DO NOT FORGET

The Christmas holidays are approaching and your
inde may be somewhat taken up with the selection of
presents for those in whom you are most interested. This,
however, should not cause you to lose sight of the all im-
portant matter of securing a farm or dwelling.

I have recently had placed in my hands for sale a
tract of 400 acres of the best character of Bourbon county
land that will produce the finest quality of tobacco and the
richest growth of hemp. It is in a high state of cultiva-
tion. Can sell in tracts to suit the purchaser. It is located
about 10 miles from Paris on the Maysville and Lexington Turn-
pike and the Bluegrass Traction Line.

I have another tract of Bourbon county land, con-
sisting of 275 acres, about 3 miles from Paris, on the Rud-
Mills Pike, that I am offering for \$75 per acre.

Another tract of 430 acres on the Maysville and Lex-
ington Turnpike 2 miles from Millersburg. This is a
class, well improved stock farm.

Another tract of Bourbon county land, containing
cres, on good pike, about 8 miles from Paris.

If any of the above properties do not interest you I
be glad to have you come and tell me the size and
character of farm which you wish to buy. I will do my
best to suit you, as I have quite a number of excellent
farms in my hands for sale.

BOB FITZSIMMONS.

"A Fight for Love" by Hal Reid is announced
to play at the Washington on Thursday, De-
cember 20th, with fighting "Bob Fitzsimmons"
in the star role. The vehicle of Mr. Fitzsim-
mons' present sterling tour is purely a melo-
drama replete with heart interest and strong
situations, one that appeals to everybody, a
charming romance in the life of the blacksmith
and the country gentleman provides the basis
for the play, which is rich in wholesome humor
and cleverly constructed climaxes. The star
has a most congenial part in which he does full
justice. Manager J. C. Matthews has staged
the play handsomely for the entire four acts.

President Cochran appointed the following
brethren as a Nominating Committee to appoint
new officers for the ensuing year:

Robert Owens, James Childs, L. M. Mills,
John Boulden, Ad. McClanahan.

While the Committee was in the Sunday-
school room selecting the new officers, Dr.
John Barbour read the Scripture lesson found
in 1st Peter 1st chapter; song No. 211 was
then sung, followed with prayer by Rev. P. A.
Cave.

The Report of the Nominating Committee
was received and adopted, which is as follows:

"We the Nominating Committee beg leave to
report the following as your officers for the
ensuing year:

Hon. W. H. Wadsworth, President; Vice-
Presidents, all Ministers in the county who
affiliate in this work; Secretary, H. P. Cheno-

Executive Committee, George N. Harding, J.
H. Pollitt, R. B. Owens, W. H. Cox, C. L. Sal-
lee, J. F. Barbour, M. B. Clark, John Duley.

Then a trio was sweetly sung by Dr. P. G.

sermon of the evening "The Living Word," de-
livered by Rev. W. W. Akers of the Central
Presbyterian Church.

The speaker said he knew how believe the Bible

Lovel's Holiday Special!

My unusually heavy purchases for the holiday trade are now in and opened up. In immensity
and variety of stock, in extra quality of goods and in cheapness of prices I am, as heretofore, away
ahead of all competitors. I have taken special pains in selecting these goods, and every article I sell
is guaranteed to be just as recommended. I sell only the best goods and the most reliable brands.
Everyone during the holidays will want some of the following goods, of which I have a large supply:
Relish, Figs, Dates, Citron, Lemon and Orange Peel, Atmore's Plum Pudding and Mince
Meat, Prunes, Evaporated Peaches and Apples, Cocoanuts, Maple Syrup, Maple Sugar, Buckwheat
Flour, Oranges, Grape Fruit, Lemons, Bananas, Malaga Grapes, Catawba Grapes, Apples, Nuts,
mixed and unmixd, Cranberries and Celery; also, a big supply of FINE CANDIES at the most reason-
able prices.

FIREWORKS—I had determined to not sell any more of these goods, but much of my trade
will have them and expects me to furnish them. My stock of ROMAN
CANDLES, CANNON CRACKERS and TORPEDOES is immense, and the prices will be so low that
every one can afford them. Merchants who want to pay in supplies for their trade can buy them as
low of me as they can anywhere, and the goods are of the very best.

My stock of CANNED GOODS is new, full and complete, as is my stock of NEW CROP MO-
LASSES, GREENUP COUNTY SORGHUM, COFFEES, green and roasted, TEAS of all kinds. I
have just received another big lot of FANCY NEW MACKEREL direct from Boston. I buy and
pay cash for all kinds of Poultry, Butter, Eggs, Country Hams, and I want for my holiday trade

The largest flag in the world, a giant Star Spangled Banner, is to hang in the great court of the Postoffice Building at Washington as soon as the mammoth hunting can be manufactured. Sixty feet long by about thirty-five feet wide is the approximate size of this banner. It is to be made of American wool hunting, and the actual cost of construction is to be about \$200. Each of the thirteen stripes will be almost three feet wide. The banner will exceed in length the great flag which hangs in the court of the Pension Building by about ten feet.

Female Weakness

"Last Fall," writes Mrs. S. G. Bailey, of Tunnelton, W. Va., "I was going down by inches, from female disease, with great pain. After taking Cardui, Oh! My! How I was benefited! I am not well yet, but am so much better that I will keep on taking Wine of Cardui till I am perfectly cured."

Despite the envious attacks of jealous enemies and rivals, Cardui still holds supreme position today [as in the past 70 years] for the relief and cure of female diseases. It stops pain, tones up the organs, regulates the functions, and aids in the replacement of a misplaced organ.

 THURSDAY, DECEMBER 13th.

MAYSVILLE, KY., December 5th, 1906.

To the People of Maysville, Mason and Neighboring Counties: I wish to say that my entire stock of Suits, Overcoats and Furnishings for Men, Boys and Children, also Trunks, Suit Cases and Bags, will be sold, not, however, to discontinue business, but to enable me to carry out my plans for the coming spring and summer. By adding more space, and having it well filled for this fall and winter, whose weather thus far has been against me, finds me with too much stock. It must be sold. I am going to convert it into cash, realizing that now, while you can use it, is the time to sacrifice; also, while the sizes and lots are unbroken. In this unloading sale are the products of the leading manufacturers of the country. The price will cause you to purchase. The same condition governs this sale that has been our pride—satisfaction guaranteed to all, exchanges made without hesitating and to any one who wants it their money is refunded. Beginning this day the sale will continue until the stock is reduced.

Thanking all for previous patronage, I am,
 Respectfully,
 J. W. LEE.

In pursuance of a recent decision of the Court of Appeals, the City Council of Paris returned to the First National Bank of that city \$1,127.90, collected for taxes for 1904-5.

The State Printing Commission accepted a bill drawn by a sub-committee, providing the manner of letting printing contracts and fixing a maximum price, and will present it at the next session of the General Assembly.

The Court of Appeals held, in a decision by a divided Court, that the Revenue Act of 1906, so far as it applies to National Banks, is not effective this year, and Banks cannot be required to pay taxes on Government bonds held at this time. The decision effects every National Bank in Kentucky.

Francis Drake and John Woodruff, former convicts in the state Penitentiary, returned to their homes near Hopkinsville, and it was then learned for the first time that they had been pardoned last Tuesday by Governor Beckham. The men were convicted of the murder of a guard at a coal mine during the strike in 1901.

STOPS ANY ITCHING

Doan's Ointment Cures Eczema and Itching Piles. Maysville People Recommend It.

One application of Doan's Ointment stops any itching. Short treatment cures eczema, itching piles, salt rheum—any skin eruption or skin itching. It is the cheapest remedy to use because so little of it is required to bring relief and a cure. Here is Maysville testimony to prove it:

Mrs. Kate Poth, living at the corner of Clark street and Forest avenue, Maysville, Ky., says: "I gave a statement about Doan's Ointment which was published in our Maysville papers. I said that I had received most decided benefit from the use of this remedy, procured at J. James Wood & Son's Drugstore. For a long time I had an itching or eczema of the scalp. It broke out in spots, and sometimes the spots would appear on my forehead and temples. The itching was particularly troublesome just before a rain, and then was so intense that I could not sleep at night. It required only a short use of Doan's Ointment to cure the trouble and the cure has been lasting for the past five years. There has never been even an indication of a recurrence. A friend of mine also had eczema and tried everything for it but never found anything to remove the annoyance. On my recommendation she used Doan's Ointment and was absolutely cured."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no substitute.
